Воспитательный ресурс коммуникативных заданий на примере регионального материала

Гребенкина Евгения Евгеньевна МБОУ Гимназия №42, г. Барнаул, Алтайский край

«Учитель на уроке должен пользоваться всяким случаем, чтобы посредством обучения закинуть в душу дитяти какоенибудь доброе семя».

К.Д. Ушинский

Цель воспитания обучающихся в образовательной организации:

- развитие личности, создание условий для самоопределения и социализации на основе социокультурных, духовно-нравственных ценностей и принятых в российском обществе правил и норм поведения в интересах человека, семьи, общества и государства;
- формирование у обучающихся чувства патриотизма, гражданственности, уважения к памяти защитников Отечества и подвигам Героев Отечества, закону и правопорядку, человеку труда и старшему поколению, взаимного уважения, бережного отношения к культурному наследию и традициям многонационального народа Российской Федерации, природе и окружающей среде.

Цель разработки заданий с региональным компонентом:

развивать умение учеников представлять свой регион в ходе общения с зарубежными сверстниками и гостями края, мотивировать ребят на творчество и инновационную деятельность на материале об Алтайском крае, воспитывать гордость за свою малую родину.

Гражданское воспитание

Способствует формированию российской гражданской идентичности, принадлежности к общности граждан Российской Федерации, к народу России как источнику власти в Российском государстве и субъекту тысячелетней российской государственности, уважения к правам, свободам и обязанностям гражданина России, правовой и политической культуры.

Work in groups. Imagine that you are engineers. Take part in an engineer exercise. Write four objects you see in your classroom in one column. Then write adjective for each noun in another column.

Example:

Adjectives	Nouns
red	pen
interactive	table
metal	cup
quick	mobile

Mix the adjectives and you will have new word combinations:

Adjectives	Nouns
quick	pen
red	table
interactive	cup
metal	mobile

How can you use these new objects in the real life? Share your ideas with the class.

Quick pen: You say the words. This pen writes them itself.

Red table: It checks your exercises and gets red when finds mistakes.

Interactive cup: This cup says the temperature of the drink.

Metal mobile: You can't break this phone.
